

## Research, teaching, and outreach grants

1. \$34,661 (2020-2022) National Geographic Society “Range Riders and the Gold Standard for Predator Deterrence” PIs **Treves**, Louchouart, Englewood
2. \$13,500 (2020-2021) Summerlee Foundation “Carnivore Coexistence in the Feather River watershed”, PI **Treves**, Cruce
3. \$15,000 (2019-2020) Christine Stevens Wildlife Award from the Animal Welfare Institute, “Carnivore Coexistence in the Feather River watershed” Cruce, **Treves**
4. \$15,000 (2020-2021) Christine Stevens Wildlife Award from the Animal Welfare Institute “Range Riders and the Gold Standard for Predator Deterrence” Louchouart, **Treves**
5. \$500 (2019) Wolf Awareness, Travel grant to Calgary Alberta, PI **Treves**
6. \$94,450 (2019–2021) **Bureau of Indian affairs** award to Bad River Reservation Natural Resource Dept. sub award for MS research by A. Fergus, PI **Treves**, Hill-Kasten
7. \$178,241 (2018–2021) **COLCIENCIAS Fellowship** for PhD research by Alexandra Pineda Guerrero (PI Treves)
8. \$1,600 (2019) **Brooks Institute for Animal Rights Law and Policy** “Outreach Exhibit: Essential components of gold standard research” (PI Treves)
9. \$500 (2019) **Foxlights®** “Video: Evaluating the effectiveness of Foxlights® in deterring pumas and Andean foxes” (PI Treves, Ohrens)
10. \$32,000 (2018) **Brooks Institute for Animal Rights Law and Policy** “Standards of evidence in wild animal research” (PI Treves)
11. \$25,000 (2018-2019) **National Geographic Society Research & Exploration grant** WW-244R-17 “Post-civil war Rwandan nature restoration: Akagera National Park before and after the reintroduction of the African lion, an apex predator.” (Pi Treves, Bantlin, Uyizeye)
12. \$13,100 (2018) **Educational Innovation Grant for Online Course Development** “Preserving Nature” (PI Treves)
13. \$48,850 (2017) **Institute for International and Regional Studies Incubator grant** “Socioeconomic and Ecological Dimensions of Restoring Akagera National Park, Rwanda” (PI Treves, Naughton)
14. \$985,282 (2016) **National Science Foundation S-STEM** “Together for the Planet 2.0: The Community Environmental Scholars Program” (Pi Middlecamp, Treves, Beattie, Balster, Halverson)—Treves is the leader of the research sub-team
15. \$15600 (2017) **National Geographic Society** “Bringing modern science to improve coexistence between pumas and people of the Araucarias Biosphere Reserve, Chile” (PI Ohrens, Treves, Bonacic)
16. \$900 (2014, 2017) **Little River Band of Ottawa Indians for** “Evaluating the effectiveness of Michigan’s lethal management of wolves”.(PI Treves)
17. \$14,500 (2017–2019) **Four private donors’ gifts** for “Carnivore Coexistence” (PI Treves) — donors wish to remain anonymous (PI Treves)
18. \$20,000 (2016–2020) **Therese Foundation** gift for “A scientific evaluation of non-lethal interventions to prevent attacks on livestock” (PI Treves)

19. \$40,480 (2015-2016) **U.S. Fish & Wildlife Service International Programs. Wildlife Without Borders** Stakeholder engagement and training local verifiers of livestock predation: A project to reduce human-puma conflicts in Chile, PI: Treves, Ohrens
20. \$80,000 (2012-2014) **Sustainability Initiatives for Research & Education (SIRE)** Appealing to students' stomachs: Integrating food system sustainability into physical & biological science courses PI: Middlecamp, Treves, Gibbs (equal co-PI)
21. \$18,000 (2015-2016) **Northeast Wolf Coalition** Measuring attitudes to large canids in the Northeastern USA. PI Treves
22. \$21,000 (2014–2015) **Fulbright FLEX** grant to Sweden (research / teaching), PI: Treves
23. \$95,000 (2014–2016) **SESYNC (National Socio-Environmental Synthesis Center, from National Science Foundation pass-through grant)** New tools to predict and prevent human-wildlife conflicts, PI: Carter, Treves, Gore
24. \$55,000 (2009–2015) **Derse Foundation** (3 renewals), Carnivore coexistence, PI: Treves
25. \$200,000 (2012-2014) **Chile. Fund: Agriculture & Livestock Service**, Diagnóstico de la ecología poblacional del puma (Puma concolor) y medidas de solución al conflicto entre carnívoros y ganadería doméstica en la región de Tarapacá, Chile, PI: Bonacic, Ohrens, Treves
26. \$50,000 (2011-2013) **Morgridge Center and Conservation International**, Attaining food security and conserving biodiversity, PI: Treves , Silbernagel
27. \$24,000, (2012) **U.S. Fish & Wildlife Service**, Human dimensions of lethal control and illegal take, PI: Treves
28. \$125,000 (2010-2013) **U.S. Fish & Wildlife Service & Wisconsin Department of Natural Resources**, The influence of official lethal control on illegal take in gray wolves, PI: Treves, MacFarland
29. \$11,000 (2013) **Pontificia Catolica University, Santiago, Chile**, Puma conflicts with people, PI: Bonacic, Treves
30. \$10,800 (2012) **Fulbright Senior Specialist Program** Balancing carnivore conservation with human needs, PI: Treves
31. \$40,000 (2012) **Global Health Initiative**, Evaluation of alternative strategies for emerging disease detection, PI: Treves
32. \$49,900 (2010–2012) **Disney Worldwide Conservation Fund**, Community engagement, parabiologist training and Andean bear conservation around Sangay, Ecuador, PI: Treves, Zug, Schloegel
33. \$32,477 (2009–2011) **U.S. Fish and Wildlife Service International Programs**, Community engagement & training parabiologists, Sangay N.P. Ecuador, PI: Treves
34. \$700,000 (2007–2011) **U.S. Agency for International Development and the Wildlife Conservation Society** (joint support, 4 renewals), Linking Natural Resources, Economic Growth, and Good Governance, PI: Naughton, Turner, Brown, Treves
35. \$9,000 (2010) **Fulbright Senior Specialist Program**, Understanding and managing human-carnivore conflicts (Ecuador) PI: Treves
36. \$15,150 (2010–2011) **Berryman Institute East and USDA**, Relating American black bear nuisance complaints and property damage to Wisconsin management effort and harvest locations, PI: Treves, Macfarland

37. \$5,500 (2010–2011) **Berryman Institute East and USDA**, Farmers, deer, and predators in mixed-use landscapes, PI: Treves, Drake
38. \$3,500 (2009), **Berryman Institute East and USDA**, Wolf policy in Wisconsin, PI: Treves, Shelley
39. \$9,345 (2009) **Indo-US Science and Technology Forum**, Training Indian leaders in human dimensions of wildlife conservation (short course in India), PI: Treves, Kumar
40. \$26,000 (2008) **National Park Service**, Large carnivore monitoring, PI: Treves

\$11,700 (2006–2008)	International Bear Association & Pittsburgh Zoo (joint support)	Conservation of spectacled bears and their cloud forest & paramo habitat in Ecuador	Treves	Zug, White, Camacho
\$93,500 (\$12,500 to Treves 2006–2008)	Bosack Kruger, Evjue, & Walker Foundations and COEX (joint support)	Wildlife Friendly Enterprise	Holden	Treves (assisted writing & implementing), Victurine
\$25,000 (2006–2007)	Y2Y Conservation Initiative & Wilburforce Foundation (joint support)	Public opinion of grizzly bear and wolf management options prior to delisting in the Greater Yellowstone	Treves	Holden
\$6,500 (2005–2006)	Wildlife Conservation Society & LaFarge International (joint support)	Transfrontier conservation, D.R. Congo and Uganda	Treves	

And miscellaneous short-term contracts

2007–2019 Paid service as external reviewer or speaker: Swiss-NSF SPARK (2019), Antioch University of New England (2018–2020), Landmark Foundation (2017), various book publishers (2007–2017) U.S. Fish & Wildlife Service (2019)

**+18 additional grants preceding 2008, available upon request**
