## Joint Informational Hearing

- [Informational Hearing Notice](#)
- January 13, 2021 10:00 AM
- 412 East
- Informational Hearing Topic: 2011 Act 169 requires the Wisconsin Department of Natural Resources to establish an annual wolf harvesting season if the wolf is removed from the United States and Wisconsin lists of endangered and threatened species. Wisconsin has had wolf harvesting seasons in 2012, 2013, and 2014, but there has not been a wolf harvesting season since 2014 since the wolf was on the endangered species list. On November 3rd, 2020 it was decided that the gray wolf would be removed from the endangered species list. The purpose of this informational hearing is to discuss the process of reinstating the wolf harvesting season in 2021.
